

Back Relief from the Comfort of Your Seat

Great! Great! Great!
No more pressure on your tailbone!

Two Easy Steps

1. Wrap the Spine Align belt snugly around your waist with top of belt below rib cage and centered in back. Wrap right over left securing Velcro.
2. Sit down so bottom of frame is on seat close to seat back.

If you are in your car remember to fasten your

- Small waist 28" to 34"
- Medium waist 34" to 44"
- Large waist 44" to 55"
