

Making Your Clinic Safer Pays You may save more than 50%

IRS Section 44

Let the IRS pay you up to **\$5,000** toward your new equipment. The Disabled Access Credit allows you to take a tax credit for expenditures incurred to make your business accessible to disabled individuals.

IRS Section 179

Up to **\$125,000** can be expensed if you buy qualifying equipment before the end of the year.

Putting unweighting over a treadmill may make treadmill eligible for credit

**Remember you must act before Dec. 31st or
You lose the opportunity for this year**

If you bought a treadmill in the last two years, you could **make money** by putting in an unweighting system! Call and find out how.
